

Terms and Conditions. Privacy policy

General

1. www.ignitisinnovation.com (hereinafter – Website) terms and conditions (hereinafter – T&Cs) state terms and conditions of Website use and general personal data protection principles according to which Website administrator “Ignitis grupė”, UAB, legal entity code 301844044, registered address Zveju str. 14, Vilnius (hereinafter – Company) processes Website users’ (hereinafter – Users) personal data.
2. Users – persons who access the Website by registering and logging on to the Website and (or) using it confirm that they are duly with T&Cs and agree that the submission or other processing of information (including personal data) shall be deemed a duly given consent to process this information insofar as it is needed to manage the Website and ensure its functioning and services.
3. Website services – information services, relating to Company’s news, events and information in the Company’s innovation field.
4. Company has a right to unilaterally update T&Cs by notifying about it on the Website. Updates come into force from the day of the notification on the Website. If a User does not confirm that they agree with the updated T&Cs, the User cannot use Website services.

Teikiamos paslaugos ir duomenų teisingumas

5. Person can use Website services with or without registration. Registration is mandatory when a person wishes to take part in Company’s events (e. g. hackathons).

Person must register in their own name only, by submitted their accurate and correct data: email address (as a log in name), password, telephone number, name and surname.

An activation link is then sent to a person, upon clicking of which the registration is confirmed and the User profile is activated.

6. Company is not liable for illegal User’s data processing acts or data breach which happen due to User’s own fault or negligence, as a result of User’s non- compliance with T&Cs or legal requirements.
7. If there is a doubt regarding the accuracy of User’s submitted data, Company may stop any processing of this data, check and verify the data in question. Company notifies User about any amendments to User’s data by email.
8. Company has a right to change, amend Website’s functionality and send info - messages about changes to the Company services and other information about the Company deemed to be relevant to the User.
9. Company does not undertake to guarantee uninterrupted Website functioning, as it may be affected by factors out of Company’s control. However, Company undertakes to put all reasonable effort to ensure smooth functioning of the Website. In any case Company does not accept any claims for losses incurred due to the disruption of Website services.

Person data processing

10. Company processes personal data submitted on the Website by the User in accordance to T&Cs, Privacy policy, General Data Protection Regulation (EU) 2016/679 and other date protection laws.

11. Company ensures data confidentiality and implements technical and organisational measures appropriate to protect personal data from unauthorised access, publication, loss, change or deletion or other form of illegal processing.

12. User's submitted personal data (name, surname, email address) is processed on the grounds of User consent, for the purpose of event organizing as well as informing the User about future events.

More information on personal data processing can be found at: <https://www.le.lt/index.php/careers/data-management/5482>

Cookies

13. Company uses cookies in order to make the Website faster and more convenient. Cookies are small text files placed on User's computer or other online device, such as tablet or smartphone.

14. Cookies used on the Website:

Facebook – fbp – target/remarketing cookies.

Google analytics _ga – this cookie collects information about user behavior in the page and is being used to save statistical information for 2 years.

Google analytics _gid – this cookie collects information about user behavior in the page and is being used to save statistical information for 24 hours.

Google analytics _gat - this cookie is being used to identify new sessions for 1 minute.

Copyright

15. All copyright and other intellectual property rights subsisting in the Site and its contents, including without limitation all text, images, graphics and code contained in the Site, and in its look and feel (collectively, the "Contents") are owned by the Company (or members of its group of companies). The Company reserves the right, but has no obligation, to change the Contents at any time.

16. Neither the Site nor any of its Contents may be modified or copied in whole or part in any form, including by framing, incorporation into other websites or other publication, or be used to create any derivative work. No links to the Site may be included in any other website without the Company's prior written permission. None of the Company's nor any of its group companies' trademarks may be used without the Company's prior written permission. The Company reserves all its rights in such trademarks.

17. Other than as specified above, nothing on the Site should be construed as granting any right or license. The Company does not guarantee that you have any right to use content available on the Site that is owned by any third party, and that third party's permission will not be required before you use such content. None of the Contents may be changed, nor may any copyright or author attribution notice appearing on any of the Contents be altered or removed, without the Company's prior permission.
